

I will start some recording projects this month. This is definitely one song I will record.

THE ONE

Intro: Em B7 Em B7

Em B7 Em B7
 Maybe I'm not a perfect person,
 C G B7
 Maybe I don't drink Chinese tea.
 Em B7 Em B7
 Maybe I'm a little worse for wearing,
 C B7
 But that don't mean my body's weak.
 A G B7
 My arms are strong, wide and open,
 Em B7 Em B7
 I'm the one, Whoa I'm the one

Maybe your mind defies the reason,
 Something too obvious to see.
 Maybe I'm just the one who gets you,
 I seem to know your every need.
 I am trying, to tell you,
 I'm the one

C
 When life presents a pearl,
 G
 Its time to make a choice
 A Em
 Turn the key, unlock the door.
 C
 I know its hard for you
 G
 To understand
 A B7
 How I could be, so damn sure!

Maybe you're waiting on tomorrow,
 Hoping this longing goes away.
 Maybe I'm not what you expected,
 But tell me what does your heart say?
 It is trying, to tell you,
 I'm the one.
