

WAITING

You say when you look in the mirror,
You don't recognize who you are.
You're left feeling shameful and guilty,
for the sin of wanting more.
So you stand in-between the light and the dark,
thinking, "If I could only change."
But love doesn't listen to reason,
it just pours out from deep within,
and that's not a sin

Chorus: I can't stop, no I can't stop, no I can't stop
It's just like breathing.
I have been waiting for so long, so long.

You say that you'll never find a way,
you're afraid of how you'll be judged.
You carry a burden you needn't bear,
Your crime was you fell in love.
So you stand in-between, you stand in-between
You'll be standing for the rest of your life.
But it's you who can turn it from bad to good,
All you need do is walk away.
But still you stay.

Chorus: I can't stop, no I can't stop, no I can't stop
your heart from breaking.
I have been waiting for so long, so long.

I know you're thinkin' 'bout giving up
turn you back and leave it behind.
You don't feel safe, you no longer trust,
it's a mountain you don't want to climb.
Don't listen to angels, don't listen to demons,
They'll pull you in so many ways
The answer is right before your eyes,
Tell me, what does your heart say?
Trust it knows the way.

Chorus: I can't stop, no I can't stop, no I can't stop
It's just like breathing.
I have been waiting for so long, so long.
